Invitation to Continued Growth

For new graduates of this year's retreat weekends, we extend a special invitation to participate in the CLP classes. These weekly sessions, lasting just a few weeks, are:

- A requirement for serving during future retreat weekends
- An opportunity to deepen the spiritual momentum from your recent experience
- A pathway to the transformative experience of serving others in their faith journey

Moving Forward

The rush of God's love experienced during a retreat weekend is just the beginning. As our community continues to grow in faith together, we encourage all members to remain open to the ways God calls us to serve one another.

Watch for upcoming emails with information about CLP class schedules and registration. Decolores!

May God continue to bless our community as we journey together toward deeper faith and service.
